

Judges 19-21

1. \_\_\_\_\_ is \_\_\_\_\_ and must be called so. Benjamin did not want to identify it as so. So many Christians want to identify the sins they do not commit and act as though the sins they do commit do not matter.
2. We must \_\_\_\_\_ out our immorality and put it to \_\_\_\_\_. Benjamin wanted to just let it go, and not deal with it. Israel had to go to war to get rid of the enemy. We must go to war with our enemies of immorality.
3. God will allow us to \_\_\_\_\_ with our \_\_\_\_\_ even though He promises \_\_\_\_\_, Israel lost twice before God gave them victory. Fasting, denial, sacrifice are needed to see some victories won.
4. God leaves us the \_\_\_\_\_ to be made \_\_\_\_\_ where sin has \_\_\_\_\_ us apart. Even though the people were making foolish vows, and God would not have held them accountable to those vows, there still was a way of escape. Israel was made whole and Benjamin survived. Your deepest scars, grossest wounds, most savage shortcomings can be made whole.
